The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 13,14,16-18,20-22 are rejected under 35 U.S.C. 102(b) as being anticipated by Marraffa 2002/0179552. Marraffa teaches the battery jars emplaced in jackets in compartments the jackets open at one end and having ears spaced outwardly from the edge of the open end and wherein the jacket ears are best seen in Figures 6 and 7.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure and is cited on the attached PTO 892.
